

# startSecure<sup>tm</sup>

The way every real estate transaction should start.

Learn what to expect with the new, more secure digital opening experience.

## It all starts with an email!

## startSecure<sup>TM</sup> every time!

Buyers desire a secure and simple way to start their real estate transactions. When you choose to work with Chicago Title and startSecure<sup>TM</sup>, buyers can safely begin their real estate transaction, share preferred contact methods, and review WireSafe wiring instructions without relying on potentially unsecure email inboxes.

## How it works.

### Open Email

Open the email from Chicago Title to begin the startSecure<sup>TM</sup> process.

### Click to Begin

Establish a secure communication channel with our settlement professionals.

### Review & Answer

Review and provide information for each question.

### Acknowledge Wire Instructions

Review the WireSafe wiring instructions and click to securely sign and acknowledge.

### Submit

Securely submit the updated information and signed WireSafe form to Chicago Title.
