NAACP BALTIMORE COUNTY NEWSLETTER

Table of Contents

Greetings Branch Members,

The last few months have been been quite active for us. We have been involved in the fight against the Covid-19 pandemic with our Covid-19 kit distribution events within the county. We have hosted several voter registration events. We encourage everyone to get out to vote. This week is early voting for the Primary Election with the last voting day on **July 19th**. Please see the list of early voting centers in the newsletter.

We attended the Baltimore County Department of Education meeting in support of Superintendent Darryl Williams. We are also working hard behind the scenes with the Baltimore County Police Department. We have discussed having further community engagements with the department including a proposed Peace Rally to help reduce the gun violence in our community.

I have great news from our youth. Couryn Branch, gold medal winner from the ACT-SO Competition recited a powerful poem (Two Black For Your Name Generator) at Coppin State and the President heard her recital and provided her with a full scholarship!!
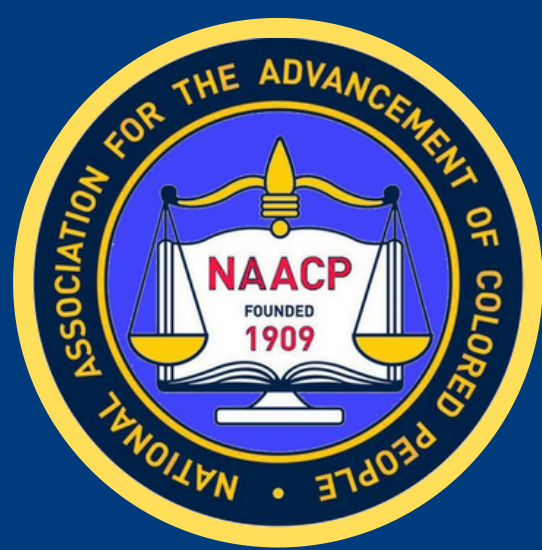

We have some exciting events coming up in the fall so we look forward to having you be a part of the festivities that we are organizing.
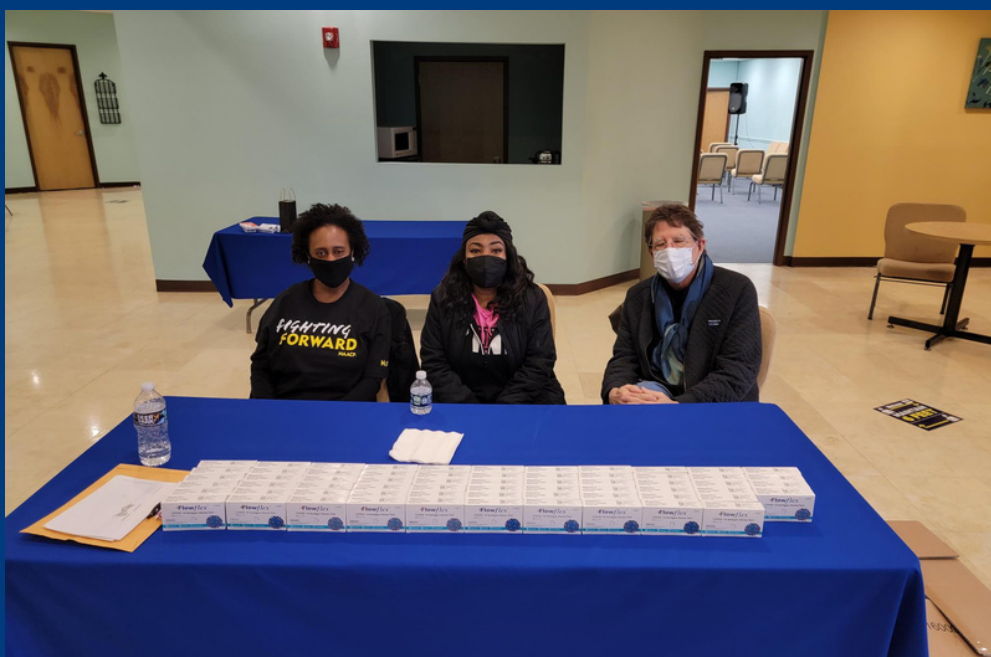

In Solidarity,

Dr. Tolson

NAACP HIGHLIGHTS

Redistricting Press Conference on March 21st with the NAACP Baltimore County, ACLU, Common Cause Maryland, Indivisible Towson and the League of Women Voters of Baltimore County.

In March, we held our Covid Test Kit Distribution Events in Randallstown, Windsor Mill and Dundalk. Despite the inclement weather, our members came and assisted in the kit distribution. We commend them for their efforts in helping our community in the fight against Covid-19.

GRANT OPPORTUNITIES!!

The Baltimore County's ARPA Nonprofit Grant is live!! Baltimore County has allocated $1.3 million of its federal American Rescue Plan Act (ARPA) funds for non-profit grant-making. The County is currently accepting pre-proposal eligibility questionnaires from interested 501(c)3 organizations regarding public health through **July 25th, 2022 at 5:00PM.**

To download a copy of the pre-proposal eligibility questionnaire please go to the County's ARPA Nonprofit Grant Program page: https://arp-bc-gis.hub.arcgis.com/pages/grants. For additional information please see the County Executive's press release: https://www.baltimorecountymd.gov/countynews/2022/06/29/baltimore-county-executive-olszewski-announces-arpa-grant-funding-for-nonprofits.

Eligible applicants who have submitted a pre-proposal to the County will be invited to complete a full application in August 2022 through the Baltimore Community Foundation.

TECHNOLOGY FOR OLDER ADULTS: A NEW FRONTIER

Baltimore County Department of Aging partnered with Baltimore County Department of Economic Workforce Development and AARP programs; OATS (Older Adults Technology Services) and Senior Planet Workshops to provide technology training for older adults. BCDA hosts two five-week courses – Computer Essentials at Fleming Senior Center and iPad Essentials at Bykota Senior Center. Senior Planet Workshops also offer one-time classes at various senior centers around the county. The Computer Essentials course meets in the mobile tech unit, while the iPad course meets virtually. BCDA aims to cover a wide variety of tech needs and accessibilities. Cynthia Mingo, Director, Fleming Senior Center, says

that she is "so happy to work with Vishnu and Ethel to bring this opportunity to Fleming," and excited to see the courses "open up a new lane for the aging community." While older adults are typically the smallest demographic of online users, those aged 65 and up are now the fastest-growing online users, those aged 65 and up are now the fastest-growing group, according to the Washington Post. The pandemic forced many in the aging community to stay home and adapt to online culture. This new frontier brought new risks, such as phishing and online scams. BCDA aims to ensure that older adults have the tools to enjoy the internet safely. Donald Jones, a student in the Computer Essentials course, is a member of Fleming Senior Center.

Donald says he enjoys holding class in the mobile unit because "it's more personable and it gives the teacher a chance to really interact with the students." He joined the five-week course because he wanted to become more confident in his computer skills and has since learned how to safely and more efficiently navigate the internet. In the future, Mr. Jones hopes to learn more about Excel and how to create a PowerPoint. The class has now graduated, and while Donald is excited, he is eager to enroll in more courses and learn more skills.

Not only are the Senior Planet Workshops an opportunity to learn, but also a chance to hang out with friends – and even make new ones. During a Senior Planet Workshop, attendees Susan Ewing gained two new friends. Susan says she "simply offered the Everists a ride at the first class they attended, and we have been friends since." Susan says she sought to take the class because she and her husband wanted to learn more about computers. She also intends to attend more workshops.

Vishnupriya (Vishnu) Desai, BCDA Digital Inclusion Specialist, organizes and teaches many classes alongside Carlos Melendez of the Baltimore County Department of Economic and Workforce Development and Ethel Rasmussen of BCDA. Vishnu says, "At BCDA, we are excited to help seniors connect with the world digitally." BCDA also offers free virtual tech support and more tech assistance with trained Cyber-Senior Technology Mentors. BCDA offers tech support every Thursday, from noon to 2 p.m., and Friday from 10 a.m. to noon. Older adults are encouraged to take advantage by joining the workshops - not only to learn new skills but to make new friends and save money as well.

There are many opportunities to attend a workshop or to get useful tips. The schedule of classes, and more information on the technology resources that BCDA offers, can be found online at; https://www.baltimorecountymd.gov/departments/aging/programs-services/technology-resources/index.html. You can email inquiries to bcdatechtools@baltimorecountymd.gov.

NEW! SUMMER SNAP FOR CHILDREN FOOD BENEFITS !

The Summer SNAP for Children program provides critical food assistance during the times of the year when hunger is at its worst. Last year, only 450 children in Baltimore County benefited from the support of Summer SNAP for Children, which significantly reduces poverty and food insecurity.

The NAACP, in partnership with the Student Support Network and the Baltimore County PTA, have been advocating for full funding so that all children with SNAP can receive the extra support.
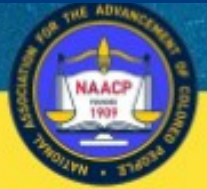

Our advocacy has paid off! The County Executive has recently announced that more than 30,000 children will receive support in 2022. Towson University economists report that the increased funding will "greatly benefit" the economy while reducing food insecurity, creating additional jobs, and increasing tax revenues.

Maryland's Summer SNAP for Children builds on the federal Supplemental Nutrition Assistance Program (SNAP), which helps more than 77,000 County households put food on the table. Summer SNAP for Children benefits are $100 per child and are automatically added to SNAP EBT cards. This year, all children in Baltimore County ages 5-19 with SNAP will receive the extra benefit.

Summer SNAP for Children benefits began on June 1st and will be added to the household's EBT cards 15 days after the federally funded SNAP benefits are issued in the months of June, July, and August and 7 days after the December SNAP benefit is issued.

To see if you may be eligible for SNAP, text the word FOOD to 74544. You can apply for SNAP online or over the phone by calling Maryland Hunger Solutions (1-866-821-5552) or Catholic Charities (1-667-600-2291).

THE VALUE
Of Your VOTE

If you felt your vote wouldn't make a difference in an election, perhaps the following will convnce you otherwise...

▪ In 1800, one vote kept Aaron Burr from becoming the third President of the United States.

▪ In 1839, one vote elected Marcus Morton as Governor of the State of Massachusetts.

▪ In 1868, one vote gave Rutherford Hayes the Presidency of the United States.

▪ In 1868, one vote saved President Andrew Johnson from being impeached.

▪ In 2018, John Olszewski won the Primary Election for Baltimore County Executive by seventeen votes.

YOUR VOTE MATTERS!

Vote in the 2022 Primary Election on July 19th and in the 2022 General Election on November 8th.

ACT-SO Winners!

The NAACP Baltimore County Branch held the Afro-Academic, Cultural, Technological and Scientific Olympics (ACT-SO) Annual Competition on Saturday April 30th at New Town High School Owings Mills. High School students throughout the county competed in the areas of arts, music, dancing and poetry. There were five students who were the winners of the ACT-SO competition in Baltimore County.

They were Couryn Branch, Hamini Lewis, Jada McAiley, Jada Iwunha, and Alphonso Betts. The winners are going to the ACT-SO National Competition at the NAACP Convention in Atlantic City from July 14th - July 20th. Let's support our youth and wish them well at the ACT-SO National Competition!
