

# Hooked on Jesus

By: Pastor Michael S. Bowen

*“But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and all liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death” (Revelation 21:8).*

*You ever wonder why a person on drugs does crazy things? Why do they kill to buy drugs? Why is it so hard to break free from the addiction? The answer to those questions is quite interesting. The Greek word for drugs is "pharmakeia" and it is where we get our word pharmacy from.*

*The Greek word "pharmakeia" appears in these five passages in the New Testament: Galatians 5:20, Revelation 9:21, 18:23, 21:8 & 22:15.*

*If you read all five of these passages, where the word "pharmakeia" appears you don't find the word "drugs" in our English Bible but the words "sorceries" and "witchcraft?" Why is that???*

*The reason why is the same Greek word used to describe drugs is the same Greek word used to describe demon activity. Do you realize that drugs open the door to the demonic realm in your life? When people take drugs they are allowing demons to control their life and that is why they are out of control when they are under the influence of drugs.*

*The good news is if you are hooked on drugs today, you can have victory in the Lord Jesus Christ (John 8:36)!!! DONT GET HOOKED ON DRUGS, GET HOOKED ON JESUS!*
