

RESOLUTION

A RESOLUTION SETTING FORTH AND DECLARING THAT THE PUBLIC HEALTH AND NECESSITY REQUIRE THE CREATION OF A PROPOSED IMPROVEMENT DISTRICT IN DUCHESNE COUNTY TO BE KNOWN AS THE FRUITLAND WATER IMPROVEMENT DISTRICT AND PROVIDING FOR PUBLICATION OF NOTICE OF INTENTION TO ESTABLISH SAID DISTRICT, PRESCRIBING THE FORM OF SUCH NOTICE AND DEFINING THE BOUNDARIES AND AREA AND THE PURPOSE OF SAID FRUITLAND WATER IMPROVEMENT DISTRICT, AND FIXING THE TIME AND PLACE OF HEARING FOR ALL INTERESTED PERSONS TO BE HEARD RELATIVE TO THE CREATION OF SAID DISTRICT.

WHEREAS, the Board of County Commissioners of Duchesne County, State of Utah, in regular meeting assembled this 26th day of April, 1988, upon its own motion and upon written request having been heretofore submitted by what appears to be the majority of the owners of real property embraced within the proposed improvement district and pursuant to the provisions of Title 17, Chapter 6, Utah Code Annotated, as amended, is authorized to provide for the establishment and creation of a water and sewer improvement district to be located and situate in Duchesne County, Utah:

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF THE COUNTY OF DUCHESNE, STATE OF UTAH:

Section 1: That the public health, safety, convenience and necessity require the creation of a water and sewer improvement district within Duchesne County, Utah, having and embracing the following described area included therein:

Township 2 South Range 8 West Uintah Special Base  
and Meridian

All of the following Sections: 19, 30, 31

Township 2 South Range 9 West Uintah Special Base  
and Meridian

All of the following Sections: 10, 11, 13, 14, 15,  
22, 23, 24, 25, 26, 35, 36

Township 3 South Range 8 West Uintah Special Base  
and Meridian

All of the following Sections: 6, 7, 17, 18, 19,  
20, 21, 28, 29, 30

Township 3 South Range 9 West Uintah Special Base  
and Meridian

All of the following Sections: 1, 12, 13, 14, 23,  
24, and the East 1/2 of Sections 11, 15 and 22

Section 2: The name of the proposed district shall be  
Fruitland Water Improvement District.

Section 3: The Fruitland Water Improvement District is to  
be created for the purpose of securing, acquiring and upgrading  
for the residents of said District a supply of culinary water  
through the acquisition, construction, purchase, condemnation or  
any combination thereof of a system for the supply, distribution,  
and treatment of water with any and all necessary pipelines,  
laterals, tanks or facilities appurtenant thereto to be operated  
by the said District.

Section 4: All of the area included within the above  
proposed District is located and situated within the boundaries  
of Duchesne County and none of the area proposed to be included  
in said District is included in or is part of any other

improvement district created under the provisions of the above referred to statute, to-wit: Title 17, Chapter 6, Utah Code Annotated, as amended.

Section 5: The area proposed to be included within the proposed District is generally the Fruitland area of Duchesne County, contiguous on the West to the Duchesne - Wasatch County boundary line. It lies East of the County line and West of Red Creek. It is North of Currant Creek. The area is more particularly described above.

Section 6: It is proposed that the said Fruitland Water Improvement District shall be vested with all of the rights, privileges, and prerogatives of any water and sewer improvement district organized pursuant to and in accordance with the above statute (Title 17, Chapter 6, Utah Code Annotated, 1953 as amended), and shall be subject to all the limitations, obligations and restrictions set forth in the above mentioned statute now provided for or any as may hereinafter be prescribed by law.

Section 7: It is proposed that as soon as possible the District acquire a complete and adequate water works system sufficient to provide potable water for domestic and culinary purposes and additional water for the residents and inhabitants of the land within said District in accordance with the

engineering studies in connection therewith.

Section 8: The estimated cost of the water works system improvement proposed to be constructed by the Fruitland Water Improvement District is approximately \$1,250,000.00. Pursuant to statute, such estimate shall not constitute a limitation on the improvements to be constructed by the District.

Section 9: It is proposed that of the total estimated cost of the water system, approximately 20% will be derived from connection charges levied and established by the District. It is proposed that part of the estimated cost of construction shall be raised by the issuance of the District's General Obligation and/or Revenue Bonds, such bonds to be payable from revenues of the District derived from the operation of its facilities, a part of said revenue being pledged for the purpose of paying said bonds, or, in the alternative, from general taxes. It is proposed and estimated that a grant-in-aid will be obtained for a portion of the cost for the construction of the proposed water works facility and improvements. In the event that such grant-in-aid is not secured, it is proposed that the District have power and authority to issue such of its bonds as may be necessary, payable either from revenues or from general taxes, to effectuate and enable the construction of the water works system contemplated.

Section 10: It is proposed that Fruitland Water Improvement District be governed by a Board of five (5) Trustees. That until the election and qualification of said Board of Trustees that the County Commissioners of Duchesne County appoint an Interim Board of Trustees as provided by law.

Section 11: The Board of County Commissioners of Duchesne County, State of Utah, will meet in official meeting at the Duchesne County Building on May 31, 1988 at the hour of 4:00 o'clock P.M., such time being not more than forty (40) nor less than twenty-one (21) days after the first publication of the Board's Notice of its intention to establish the Fruitland Water Improvement District, at which time all interested parties may appear before the Board of County Commissioners and be heard either in support of or in opposition to the creation of said proposed District. Any taxpayer within the said proposed District may, on or before said date of hearing above mentioned, protest against the establishment of said District, <sup>orally or</sup> in writing, signed by the taxpayer, which protest shall be filed with the Clerk of Duchesne County. Any written protest may indicate the reason for the protest; for example that the protestant's property should be excluded from the District as it will not be benefited by the proposed improvements. Written protests shall be filed in the manner provided by Section 17-6-3, Utah Code

Annotated, 1953 as amended, and all laws thereto enabling.

Section 12: The County Clerk of Duchesne County, State of Utah, shall, on behalf of the County Commissioners, give notice of the Board's intention to establish the Fruitland Water Improvement District by publication in the Uintah Basin Standard, a newspaper in general circulation in Duchesne County, once a week for three (3) successive weeks, the first publication to be not less than twenty-one (21) days prior to the date set for the hearing nor more than forty (40) days prior thereto. Such notice shall be in the following form:

(Form of Notice)

NOTICE OF INTENTION TO CREATE  
FRUITLAND WATER IMPROVEMENT DISTRICT  
IN DUCHESNE COUNTY  
STATE OF UTAH

PUBLIC NOTICE IS HEREBY GIVEN TO ALL INTERESTED PERSONS that the Board of County Commissioners of the County of Duchesne, in the State of Utah, by resolution duly passed and adopted the 26th day of April, 1988, declared that the public health, convenience and necessity require the creation of an improvement district and thereby defined the boundaries thereof and the purposes for which such District is proposed to be created which resolution is now on file at the office of the Clerk of said County in the County Building in Duchesne, Utah, and is available

for public inspection. Said resolution states in part:

(Set forth in full at this point in said published notice Sections 1 to 11 inclusive of this resolution).

BY ORDER OF the Board of County Commissioners of the County of Duchesne, in the State of Utah, dated this \_\_\_\_ day of \_\_\_\_\_, 1988, at Duchesne, Utah.

THE BOARD OF COUNTY COMMISSIONERS  
OF DUCHESNE COUNTY, STATE OF UTAH

By \_\_\_\_\_  
Clerk

(End of Form of Notice)

Section 13: That if any one or more sections, sentences, clauses or parts of this resolution shall for any reason be questioned or held invalid, such judgment shall not affect, impair or invalidate the remaining provisions of this resolution, but shall be confined in its operation to the specific sections, sentences, clauses or parts of this resolution so held unconstitutional and invalid, and the inapplicability and invalidity of any section, sentence, clause, or part of this resolution in any one or more instances.

Section 14: That all resolutions, by-laws, and regulations of the County of Duchesne, in the State of Utah, in conflict with this resolution, are hereby repealed to the extent only of such inconsistency. This repealer shall not be construed to revive

any resolution, by-law, or regulation, or part thereof, heretofore repealed.

Section 15: That by reason of the fact said County is not properly or adequately supplied with water facilities, it is hereby declared that an emergency exists, that this resolution is necessary to the immediate preservation of the public peace, health, and safety, and that it shall be in full force and effect fifteen (15) days after its passage, or the day following its publication, whichever day is later.

Section 16: That notice of this resolution, as set forth herein, shall immediately on its passage, be published in the Uintah Basin Standard, a newspaper published and having general circulation in Duchesne County, Utah.

DATED this 26<sup>th</sup> day of April, 1988.

## RESOLUTION

A RESOLUTION SETTING FORTH AND DECLARING THAT THE PUBLIC HEALTH AND NECESSITY REQUIRE THE CREATION OF A PROPOSED IMPROVEMENT DISTRICT IN DUCHESNE COUNTY TO BE KNOWN AS THE FRUITLAND WATER IMPROVEMENT DISTRICT AND PROVIDING FOR PUBLICATION OF NOTICE OF INTENTION TO ESTABLISH SAID DISTRICT, PRESCRIBING THE FORM OF SUCH NOTICE AND DEFINING THE BOUNDARIES AND AREA AND THE PURPOSE OF SAID FRUITLAND WATER IMPROVEMENT DISTRICT, AND FIXING THE TIME AND PLACE OF HEARING FOR ALL INTERESTED PERSONS TO BE HEARD RELATIVE TO THE CREATION OF SAID DISTRICT.

WHEREAS, the Board of County Commissioners of Duchesne County, State of Utah, in regular meeting assembled this 26th day of April, 1988, upon its own motion and upon written request having been heretofore submitted by what appears to be the majority of the owners of real property embraced within the proposed improvement district and pursuant to the provisions of Title 17, Chapter 6, Utah Code Annotated, as amended, is authorized to provide for the establishment and creation of a water and sewer improvement district to be located and situate in Duchesne County, Utah:

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF THE COUNTY OF DUCHESNE, STATE OF UTAH:

Section 1: That the public health, safety, convenience and necessity require the creation of a water and sewer improvement district within Duchesne County, Utah, having and embracing the following described area included therein:

Township 2 South Range 8 West Uintah Special Base  
and Meridian

All of the following Sections: 19, 30, 31

Township 2 South Range 9 West Uintah Special Base  
and Meridian

All of the following Sections: 10, 11, 13, 14, 15,  
22, 23, 24, 25, 26, 35, 36

Township 3 South Range 8 West Uintah Special Base  
and Meridian

All of the following Sections: 6, 7, 17, 18, 19,  
20, 21, 28, 29, 30

Township 3 South Range 9 West Uintah Special Base  
and Meridian

All of the following Sections: 1, 12, 13, 14, 23,  
24, and the East 1/2 of Sections 11, 15 and 22

Section 2: The name of the proposed district shall be  
Fruitland Water Improvement District.

Section 3: The Fruitland Water Improvement District is to  
be created for the purpose of securing, acquiring and upgrading  
for the residents of said District a supply of culinary water  
through the acquisition, construction, purchase, condemnation or  
any combination thereof of a system for the supply, distribution,  
and treatment of water with any and all necessary pipelines,  
laterals, tanks or facilities appurtenant thereto to be operated  
by the said District.

Section 4: All of the area included within the above  
proposed District is located and situated within the boundaries  
of Duchesne County and none of the area proposed to be included  
in said District is included in or is part of any other

improvement district created under the provisions of the above referred to statute, to-wit: Title 17, Chapter 6, Utah Code Annotated, as amended.

Section 5: The area proposed to be included within the proposed District is generally the Fruitland area of Duchesne County, contiguous on the West to the Duchesne - Wasatch County boundary line. It lies East of the County line and West of Red Creek. It is North of Currant Creek. The area is more particularly described above.

Section 6: It is proposed that the said Fruitland Water Improvement District shall be vested with all of the rights, privileges, and prerogatives of any water and sewer improvement district organized pursuant to and in accordance with the above statute (Title 17, Chapter 6, Utah Code Annotated, 1953 as amended), and shall be subject to all the limitations, obligations and restrictions set forth in the above mentioned statute now provided for or any as may hereinafter be prescribed by law.

Section 7: It is proposed that as soon as possible the District acquire a complete and adequate water works system sufficient to provide potable water for domestic and culinary purposes and additional water for the residents and inhabitants of the land within said District in accordance with the

engineering studies in connection therewith.

Section 8: The estimated cost of the water works system improvement proposed to be constructed by the Fruitland Water Improvement District is approximately \$1,250,000.00. Pursuant to statute, such estimate shall not constitute a limitation on the improvements to be constructed by the District.

Section 9: It is proposed that of the total estimated cost of the water system, approximately 20% will be derived from connection charges levied and established by the District. It is proposed that part of the estimated cost of construction shall be raised by the issuance of the District's General Obligation and/or Revenue Bonds, such bonds to be payable from revenues of the District derived from the operation of its facilities, a part of said revenue being pledged for the purpose of paying said bonds, or, in the alternative, from general taxes. It is proposed and estimated that a grant-in-aid will be obtained for a portion of the cost for the construction of the proposed water works facility and improvements. In the event that such grant-in-aid is not secured, it is proposed that the District have power and authority to issue such of its bonds as may be necessary, payable either from revenues or from general taxes, to effectuate and enable the construction of the water works system contemplated.

Section 10: It is proposed that Fruitland Water Improvement District be governed by a Board of five (5) Trustees. That until the election and qualification of said Board of Trustees that the County Commissioners of Duchesne County appoint an Interim Board of Trustees as provided by law.

Section 11: The Board of County Commissioners of Duchesne County, State of Utah, will meet in official meeting at the Duchesne County Building on May 31, 1988 at the hour of 4:00 o'clock P.M., such time being not more than forty (40) nor less than twenty-one (21) days after the first publication of the Board's Notice of its intention to establish the Fruitland Water Improvement District, at which time all interested parties may appear before the Board of County Commissioners and be heard either in support of or in opposition to the creation of said proposed District. Any taxpayer within the said proposed District may, on or before said date of hearing above mentioned, protest against the establishment of said District, <sup>orally or</sup> in writing, signed by the taxpayer, which protest shall be filed with the Clerk of Duchesne County. Any written protest may indicate the reason for the protest; for example that the protestant's property should be excluded from the District as it will not be benefited by the proposed improvements. Written protests shall be filed in the manner provided by Section 17-6-3, Utah Code

Annotated, 1953 as amended, and all laws thereto enabling.

Section 12: The County Clerk of Duchesne County, State of Utah, shall, on behalf of the County Commissioners, give notice of the Board's intention to establish the Fruitland Water Improvement District by publication in the Uintah Basin Standard, a newspaper in general circulation in Duchesne County, once a week for three (3) successive weeks, the first publication to be not less than twenty-one (21) days prior to the date set for the hearing nor more than forty (40) days prior thereto. Such notice shall be in the following form:

(Form of Notice)

NOTICE OF INTENTION TO CREATE  
FRUITLAND WATER IMPROVEMENT DISTRICT  
IN DUCHESNE COUNTY  
STATE OF UTAH

PUBLIC NOTICE IS HEREBY GIVEN TO ALL INTERESTED PERSONS that the Board of County Commissioners of the County of Duchesne, in the State of Utah, by resolution duly passed and adopted the 26th day of April, 1988, declared that the public health, convenience and necessity require the creation of an improvement district and thereby defined the boundaries thereof and the purposes for which such District is proposed to be created which resolution is now on file at the office of the Clerk of said County in the County Building in Duchesne, Utah, and is available

for public inspection. Said resolution states in part:

(Set forth in full at this point in said published notice Sections 1 to 11 inclusive of this resolution).

BY ORDER OF the Board of County Commissioners of the County of Duchesne, in the State of Utah, dated this \_\_\_\_ day of \_\_\_\_\_, 1988, at Duchesne, Utah.

THE BOARD OF COUNTY COMMISSIONERS  
OF DUCHESNE COUNTY, STATE OF UTAH

By \_\_\_\_\_  
Clerk

(End of Form of Notice)

Section 13: That if any one or more sections, sentences, clauses or parts of this resolution shall for any reason be questioned or held invalid, such judgment shall not affect, impair or invalidate the remaining provisions of this resolution, but shall be confined in its operation to the specific sections, sentences, clauses or parts of this resolution so held unconstitutional and invalid, and the inapplicability and invalidity of any section, sentence, clause, or part of this resolution in any one or more instances.

Section 14: That all resolutions, by-laws, and regulations of the County of Duchesne, in the State of Utah, in conflict with this resolution, are hereby repealed to the extent only of such inconsistency. This repealer shall not be construed to revive

any resolution, by-law, or regulation, or part thereof, heretofore repealed.

Section 15: That by reason of the fact said County is not properly or adequately supplied with water facilities, it is hereby declared that an emergency exists, that this resolution is necessary to the immediate preservation of the public peace, health, and safety, and that it shall be in full force and effect fifteen (15) days after its passage, or the day following its publication, whichever day is later.

Section 16: That notice of this resolution, as set forth herein, shall immediately on its passage, be published in the Uintah Basin Standard, a newspaper published and having general circulation in Duchesne County, Utah.

NOTICE OF INTENTION TO CREATE  
FRUITLAND WATER IMPROVEMENT DISTRICT  
IN DUCHESNE COUNTY  
STATE OF UTAH

PUBLIC NOTICE IS HEREBY GIVEN TO ALL INTERESTED PERSONS that the Board of County Commissioners of the County of Duchesne, in the State of Utah, by resolution duly passed and adopted the 26th day of April, 1988, declared that the public health, convenience and necessity require the creation of an improvement district and thereby defined the boundaries thereof and the purposes for which such District is proposed to be created which resolution is now on file at the office of the Clerk of said County in the County Building in Duchesne, Utah, and is available for public inspection. Said resolution states in part:

Section 1: That the public health, safety, convenience and necessity require the creation of a water and sewer improvement district within Duchesne County, Utah, having and embracing the following described area included therein:

Township 2 South Range 8 West Uintah Special Base  
and Meridian

All of the following Sections: 19, 30, 31

Township 2 South Range 9 West Uintah Special Base  
and Meridian

All of the following Sections: 10, 11, 13, 14, 15,  
22, 23, 24, 25, 26, 35, 36

Township 3 South Range 8 West Uintah Special Base  
and Meridian

All of the following Sections: 6, 7, 17, 18, 19,  
20, 21, 28, 29, 30

Township 3 South Range 9 West Uintah Special Base  
and Meridian

All of the following Sections: 1, 12, 13, 14, 23,  
24, and the East 1/2 of Sections 11, 15 and 22

Section 2: The name of the proposed district shall be  
Fruitland Water Improvement District.

Section 3: The Fruitland Water Improvement District is to  
be created for the purpose of securing, acquiring and upgrading  
for the residents of said District a supply of culinary water  
through the acquisition, construction, purchase, condemnation or  
any combination thereof of a system for the supply, distribution,  
and treatment of water with any and all necessary pipelines,  
laterals, tanks or facilities appurtenant thereto to be operated  
by the said District.

Section 4: All of the area included within the above  
proposed District is located and situated within the boundaries  
of Duchesne County and none of the area proposed to be included  
in said District is included in or is part of any other

improvement district created under the provisions of the above referred to statute, to-wit: Title 17, Chapter 6, Utah Code Annotated, as amended.

Section 5: The area proposed to be included within the proposed District is generally the Fruitland area of Duchesne County, contiguous on the West to the Duchesne - Wasatch County boundary line. It lies East of the County line and West of Red Creek. It is North of Currant Creek. The area is more particularly described above.

Section 6: It is proposed that the said Fruitland Water Improvement District shall be vested with all of the rights, privileges, and prerogatives of any water and sewer improvement district organized pursuant to and in accordance with the above statute (Title 17, Chapter 6, Utah Code Annotated, 1953 as amended), and shall be subject to all the limitations, obligations and restrictions set forth in the above mentioned statute now provided for or any as may hereinafter be prescribed by law.

Section 7: It is proposed that as soon as possible the District acquire a complete and adequate water works system sufficient to provide potable water for domestic and culinary purposes and additional water for the residents and inhabitants of the land within said District in accordance with the

engineering studies in connection therewith.

Section 8: The estimated cost of the water works system improvement proposed to be constructed by the Fruitland Water Improvement District is approximately \$1,250,000.00. Pursuant to statute, such estimate shall not constitute a limitation on the improvements to be constructed by the District.

Section 9: It is proposed that of the total estimated cost of the water system, approximately 20% will be derived from connection charges levied and established by the District. It is proposed that part of the estimated cost of construction shall be raised by the issuance of the District's General Obligation and/or Revenue Bonds, such bonds to be payable from revenues of the District derived from the operation of its facilities, a part of said revenue being pledged for the purpose of paying said bonds, or, in the alternative, from general taxes. It is proposed and estimated that a grant-in-aid will be obtained for a portion of the cost for the construction of the proposed water works facility and improvements. In the event that such grant-in-aid is not secured, it is proposed that the District have power and authority to issue such of its bonds as may be necessary, payable either from revenues or from general taxes, to effectuate and enable the construction of the water works system contemplated.

Section 10: It is proposed that Fruitland Water Improvement District be governed by a Board of five (5) Trustees. That until the election and qualification of said Board of Trustees that the County Commissioners of Duchesne County appoint an Interim Board of Trustees as provided by law.

Section 11: The Board of County Commissioners of Duchesne County, State of Utah, will meet in official meeting at the Duchesne County Building on May 31, 1988 at the hour of 4:00 o'clock P.M., such time being not more than forty (40) nor less than twenty-one (21) days after the first publication of the Board's Notice of its intention to establish the Fruitland Water Improvement District, at which time all interested parties may appear before the Board of County Commissioners and be heard either in support of or in opposition to the creation of said proposed District. Any taxpayer within the said proposed District may, on or before said date of hearing above mentioned, protest against the establishment of said District <sup>orally or</sup> in writing, signed by the taxpayer, which protest shall be filed with the Clerk of Duchesne County. Any written protest may indicate the reason for the protest; for example that the protestant's property should be excluded from the District as it will not be benefited by the proposed improvements. Written protests shall be filed in the manner provided by Section 17-6-3, Utah Code

Annotated, 1953 as amended, and all laws thereto enabling.

BY ORDER OF the Board of County Commissioners of the County  
of Duchesne, in the State of Utah, dated this 26<sup>th</sup> day of  
April, 1988, at Duchesne, Utah.

THE BOARD OF COUNTY COMMISSIONERS  
OF DUCHESNE COUNTY, STATE OF UTAH

Roger A. Murrett  
Clerk

## RESOLUTION

### A RESOLUTION ESTABLISHING THE FRUITLAND WATER IMPROVEMENT DISTRICT

WHEREAS, the Board of Commissioners of Duchesne County, State of Utah, did on the 26th day of April, 1988, pass a resolution declaring its intention to organize the Fruitland Water Improvement District, pursuant to the provisions of Title 17, chapter 6, Utah Code Annotated; and,

WHEREAS, many of the residents of the area sought to be included in proposed district have urged the establishment of said district; and,

WHEREAS, a hearing was held (pursuant to notice published in the Uintah Basin Standard for three (3) successive weeks) on May 31, 1988, at 4:00 o'clock p.m. before the County Commissioners of Duchesne County assembled at the regular meeting place in the Duchesne County Building for that purpose; and,

WHEREAS, at the hearing it was determined that legal notice as required by law has been complied with by publication in the Uintah Basin Standard for three (3) consecutive issues. The first publication was published May 4, 1988, the second was published May 11, 1988, and the third notice was published May 18, 1988. Some persons indicated, through, that they desired further information and notice. Therefore, the Commission continued the hearing to June 28, 1988, at 3:00 p.m. and requested further information be forwarded and be made available

to the residents and property owners of the property considered for the inclusion in the district; and,

WHEREAS, pursuant to request by the Commission, a comprehensive letter was made available to as many of those concerned as was possible. 496 separate letters were mailed to property owners, residents and those having an interest in the proposed district; and,

WHEREAS, the County Commission did again convene on June 28, 1988, at the hour of 3:00 o'clock p.m. and did re-convene the hearing to hear any protests and it did after full discussion from

parties present did consider the matter again; and,

WHEREAS, protests were filed, in person or in writing, to the inclusion in the district by eight individuals and the Commission determined that all of the area advertised in the notice should be included in the proposed district with the exception of the property owned by those filing protests; and

WHEREAS, it appears that the district can be formed without the inclusion of the real property belonging to the individual protestants;

WHEREAS, it appears that the organization of said district is in the best interest of the public and that the health, safety and convenience require the creation of said Fruitland Water Improvement District.

NOW, THEREFORE, it is hereby resolved and pursuant to

authority of the Board of Commissioners of Duchesne County, there is established on this 28th day of June, 1988, the Fruitland Water Improvement District, said district being established according to the provisions of Title 17, Chapter 6, Utah Code Annotated, as amended.

1. It is further provided that said district shall be vested with all of the rights, powers and authority as is and shall be provided for pursuant to said statute.

2. It is further provided that said district shall embrace the following described real property situated in Duchesne County hereinbelow described, to-wit:

UINTAH SPECIAL MERIDIAN

T.2 S. R.8 W. All of Sections 19, 30, 31.

T.2 S. R.9 W. All of Sections 10, 11, 13, 14, 15, 22, 23, 24, 25, 26, 35, 36.

T.3 S. R.8 W. All of Sections 6, 7, 17, 18, 19, 20, 21, 28, 29, 30.

T.3 S. R.9 W. All of Sections 1, 13, 14, 23, 24, and the East 1/2 of Sections 15 and 22.

Except the following described tracts which are excluded from the district, to-wit:

Parcel No.	Section, Township and Range
