

Flowers Appear all over Newark!

The Village of Newark streets, front yards and parks got cleaner and greener recently when more than 100 people showed up for the village's 8th Annual Community Pride Day. Volunteers planted flowers, pulled weeds and picked up trash throughout the village on Community Pride Day, May 31st. Residents and business owners all over the village showed their pride by cleaning and adorning their own front yards and store fronts with beautiful flowers in an effort to make our community sparkle.

Congratulations to the winners of this year's contest, Domino's Pizza for "Most Colorful Newark Business Exterior" and to Gene and Joanne Palmer for "Most Colorful Newark Resident's Front Yard".

"It's great to see residents of all ages working together and excited to show their pride in our village. I commend the many volunteers, village residents and local business owners who make the effort to keep our village beautiful" said Peter Blandino, Mayor, Village of Newark.

The Community Pride Day Committee would like to thank the following businesses and organizations for their generous donations and support of The 2014 Newark "Color our Community Pride Day," Sponsors: Wal-Mart, Secor Hardware and Homecenter, Lyons National Bank, Newark Rotary Club, Newark Garden Club, Newark Chamber of Commerce and the Village of Newark.

The committee would also like to thank the many community volunteers and residents who got their hands dirty and have colored our community with beautiful flowers!
