

IMPORTANT - Waste Collection Notice

October 7, 2020

The Town of Botwood would like to advise homeowners and residents that effective Monday October 19, 2020, Central Newfoundland Waste Management (CNWM) will be collecting residential waste in our community. All households in Botwood and Swanee Pool Road will continue to have weekly curbside residential waste collection.

CNWM has advised that collection will be scheduled over three days per week – Mondays, Tuesdays, and Fridays. Collection days falling on statutory holidays will be rescheduled with CNWM adding an extra truck to the route. *A table with all streets showing the collection day can be found on the reverse side of this notice.*

To accommodate this three-day schedule, the collection day for a number of streets has changed – approximately 45 percent of residents will have a new collection day. Please carefully check the list provided.

For the most part, the changes from this transition to CNWM are minimal. CNWM requirements are quite similar to rules followed by the Town.

However, for safety reasons, CNWM will not collect/remove waste from garbage boxes, freezers, refrigerators, drums, or similar units. All waste must be placed curbside on your collection day and covered or enclosed. Residents may cover with blankets, tarps, nets, or use a portable bin (plastic or metal).

Residents are not required to get rid of garbage boxes – simply remove and cover all waste from boxes on your collection day.

A complete list of CNWM Waste Collection Requirements is provided in the box to the right.

CNWM WASTE COLLECTION REQUIREMENTS

- ✓ Waste must be placed curbside by 8:00am on your scheduled collection day.
- ✓ Curbside means a distance of no more than 4.75m (15ft) off the road right of way as measured from the edge of the pavement or the public road.
- ✓ Regular household waste must be put in CLEAR standard size garbage bags.
- ✓ Recycling waste must be put in BLUE (transparent) standard size garbage bags.
- ✓ All bags must be securely tied or closed at the top.
- ✓ Standard size garbage bags are 66cm x 87.5cm (26"x32.5").
- ✓ Unbagged kitchen catchers or shopping bags will not be collected.
- ✓ Cardboard must be flattened and placed in blue bags or bundled & tied. Bundles may not exceed 50cm x 50cm x 75cm (20"x20"x30"), weigh less than 22kg (50lbs), and should be placed at the curbside on your collection day.
- ✓ All waste materials must be covered or enclosed. Residents may cover garbage bags with nets, tarps, blankets, or use portable bins (made of plastic or metal). Again, materials must be placed curbside on your collection day.
- ✓ For safety reasons waste will not be collected from garbage boxes, freezers, refrigerators, drums or similar units.
- ✓ Broken glass and sharp items must be in a puncture-proof packing marked as BROKEN GLASS or SHARPS and placed inside your clear garbage bag.
- ✓ Property owners are responsible to clean up waste from broken bags or animals. Drivers will not retrieve such waste.
- ✓ If the above requirements are not met then materials will not be collected.

Should you have any questions on these requirements or like further information please go to the CNWM website - WWW.CNWM.COM
