

WELCOME TO SUMMER 2017!!!

Be'er Hagolah- We're POWERING up!!!! Looking forward to ELECTRIFYING you all summer long!

We started off the week with a LIGHTNING BOLT of fun! Our awesome head counselors Rivky and Faigy performed the camp song for us. We then had loads of fun playing our "Getting to know you" spider web game. The head counselors asked a question, such as "Who is the oldest in the family?" If the question applied to you, the counselor threw a ball of yarn to you and you wrapped it around your hand! By the end of the game, we were all tied together on a huge spider web! We also got to enjoy a breakout for our very first trip!

Wednesday, we POWERED up as we BLASTED OFF to our first trip of the summer- the BP Jungle Gym!!! Boy did we enjoy running up and down the gym obstacle courses, sliding down the twisty and turny slides as well as jumping on the trampoline! We also enjoyed learning the motions to our camp song and loved being chosen to perform on stage with the head counselors.

Thursday, we enjoyed ENERGIZING ourselves with a camp balloon dance! First, we had to blow up the balloons and tie them around our ankles. Then, as soon as the music started, we had to try and pop everyone else's balloons, while keeping an eye out to make sure no one pops ours! We then ELECTRIFIED the head counselors, by showing them how well we know the camp song already!!!

Friday, we IGNITED our Jewish SPARK and started preparing for Shabbat! We enjoyed braiding the Challah and preparing our Shabbat packages, including candles, grape juice and challah. During the week, we also enjoyed creating a picnic table out of food by our baking activity. We really enjoyed creating all the mini food creations for our picnics! We also enjoyed creating a centerpiece for our Shabbat table during arts and crafts. Coloring the salt was one of our favorite activities. We're also learning all kinds of cool jump rope tricks during aerobics! And lastly, we loved making those
