

## Oneness With Jesus

September 12th, 2024

Greetings dear family,

Mother Shelley was in Adoration when Jesus began speaking to her about a recent suffering, *“What you went through in your back spasms was for a very specific purpose and a very important one. You will never again get to that level of pain.”* He said this because I was afraid of the next time I had back spasms, that I would panic because of the intensity of the pain was much more than any previous back spasms I’ve had, and much more than I could take. On a scale of 1-10, for me, I was at 12.

“But Jesus”, I said, “I didn’t have a choice. If I had, I would’ve said no to such pain.” I was ashamed to admit this.

Jesus responded, *“Your heart, soul, and spirit all said ‘yes’ to My request. Your conscious mind wasn’t aware. I never force any of My children to go through anything they don’t agree to beforehand. I experienced every bit of the pain, and in the same intensity you did. I was with you in it. Have I not said, ‘I will never leave you or forsake you’?”*

I said, “Why would You do that to Yourself after all You have suffered already?”

He replied, *“For love. For Love of My children, for love of their sacrifice. Because they agreed, should I leave them to fend for themselves? No, I am all about love, I am all about sacrifice for love, and I am all about faithfulness to My children.”*

“I love You, Lord.”

Jesus continued, *“You did not leave Me; you did not turn against Me, that is proof of your love for Me.”*

I said, “Where would I go? Once one finds Truth, where is there to go?”

He answered, *“So many of My children leave Me after a trial or a suffering, convinced that I’ve left them, or that I just stood by callously watching them suffer, and did nothing to help them. They believed the lies Satan was filling their heads with. You did not, despite his efforts to do the same. You are **truly Mine.**”*

Lord, “There were times I did have a thought that You, Father God, Holy Spirit and even Mother Mary, we’re all just standing by watching me suffer and not doing anything about it, but I knew that wasn’t true.”

Jesus smiled, *“Because you know Me. I suffer right along with My children in all their sufferings, in the exact same way, to the exact same intensity they do. I feel it as if I was human again.”*

I was thinking of a scene at the beginning of the movie, Tortured for Christ, about the life of Pastor Richard Wurmbrand and his wife Sabina, during World War II in Romania. He had been arrested and was in a prison, occupied by the Russians. He was being tortured for his faith. It was the scene where they were beating his feet mercilessly. Jesus interjected my thought and said, *“I was right beside him, and I felt every blow to his feet. Every time they hit his feet, they hit My feet. I was one with him in all of his tortures. He was one with Me in all of My tortures. Not one of My children suffers alone. I suffer right along with them feeling every pain*

*point they feel. Oneness has always been My desire for My children, to be one with them, and them to be one with Me, right from the very beginning, in the Garden of Eden.”* And that was the end of His message.

Let us all be encouraged by His ever-present Presence. He is all Goodness. I've given the link below to the movie about the life of Richard Wurmbrand, it's very well-done. He was a wealthy atheist, only living for himself, enjoying an active social life, and the finer things life offered, until he met a man who got him thinking outside of himself. It's well-worth watching and very relevant to our day, and what's coming in the time we live in.

Written in 1 Peter 5:10 it states, “And the God of all grace, who called you to His eternal glory in Christ, after you have suffered a little while, will Himself restore you and make you strong, firm and steadfast. Amen!
