Cloud Enablement

Adopting Cloud solutions is NOT just about migrating email to Office 365. It's about proper solutions' architecture, licensing selection, configuration, deployment, training and on-going support. We offer:

- ✚ Advisory for Microsoft 365 Cloud adoption
- ✚ Implementation & configuration services
- ✚ Post-implementation admin & user support

Managed Services

Today many organizations focus on their core strengths and choose to outsource certain business activities. We can help in following areas:

- ✚ 3rd Party Risk Management
 - ✚ Security monitoring for cloud and on-premises environments
 - ✚ Regulatory compliance support, Privacy / Security staff augmentation
-
