BE A PART, BE A SPONSOR!

Lacrosse in Sisters got its start 16 years ago when Outlaws Lacrosse founder Bill Rexford introduced the sport to the kids of Sisters. Since then our program has grown to involve 100's of local athletes. This year marks our 16th Annual SALI Invitational. The event brings over 80 teams from all over the NW, Northern California, and Idaho. It has become one of the largest premier lacrosse events in the Western United States, bringing in an estimated 5,000 visitors to our community! These participants and their families are shopping in our stores, eating in our restaurants and staying in our hotels and surrounding resorts.

We have created an opportunity for any business or individual to be a part of the Sisters Annual Lacrosse Invitational Tournament by becoming a sponsor to this great event. There are many different levels with corresponding benefits to your business that are listed on the attached SALI Sponsorship form. Our aim is for Outlaws Lacrosse to be a self-sustaining program so that ANY child can participate, without financial restraints. These sponsorships and the tournament itself allow this goal to be achieved.

So please, don't let your business miss out on supporting such an exciting event!

Thank you,

Outlaws Lacrosse
