

# M&N Construction Group, LLC

**BUILDING  
YOUR  
FUTURE**

## Company Overview

M&N Construction Group is a General Contracting Firm registered in the State of Florida since 2005. Under Alberto Navarro's insistence on high ethics standards, excellent project track record, and consistent on-time, on-budget, high-quality work, the Company has remained a successful family owned business even during the peak of the housing crisis. We are a Miami-Dade Certified Small Business and FDOT Disadvantaged Business Enterprise with an excellent track record and references from Miami-Dade Public Housing Facilities, Corrections Department, Police Department, Miami International Airport, Miami Sea Port, and American Airlines Arena just to name a few. We have significant experience in the commercial building area, remodeling warehouses and retail dwellings and have recently entered into the residential construction segment.
