

Ashtead All Stars Netball Club: Weekly Update

W/E Sunday 22nd November 2015

MINIS

Well done to the girls for braving the weather. It was their first real taste of what it can be like playing netball in the Winter ! They worked very hard, and are really beginning to show improvement.

PLEASE NOTE: There is no minis next week. Downsend is closed. There are 2 more sessions this term, 5th December and 12th December.

FLOODLIGHTS

Downsend have apologised profusely about the intermittent problems with the floodlights, and are generously compensating us for the inconvenience. They are working again now, so fingers crossed there will be no more problems. Downsend's plans are to resurface the courts and renew the floodlights, but these things take time, and we will wait patiently.

U13C Match Reports – Ruth

We kicked off the morning with a storm, playing Fetcham. Play was smooth with some lovely passing, great interceptions and exceptional shooting. Fetcham never really got the chance to challenge us and the girls finished the game as winners. Star player as nominated by Fetcham was Izzy Stimpson for her fabulously consistent shooting.

Next up, we faced Weighbridge Vandals. These girls played a very fast-paced game. Having played so solidly in the first game, we just did not quite get into our stride in the second. Vandals edged ahead and managed to keep onto their lead to emerge as winners. Star player as nominated by Vandals was Zoe Harding.

Last match of the day saw us pitched against Surrey Panthers. Panthers played a strong game and were solid in defense and agile in attack. Quick, tall and athletic, we did our utmost to challenge them and had moments when we made some great interceptions. However Panthers were a formidable side, who kept up the pressure, easing ahead as the match progressed. Star player as nominated by Panthers was Zoe Harding.
