How Do I Order Season Tickets?

To order Season Tickets you need to call the Box Office - 7 days a week - between the hours of 10:00 a.m. and 6:00 p.m. Your order will be handled personally by theater owners, Randall Hickman or Douglas Davis.
(760) 728-1002 or (760) 505-6839

What Else Should I know?

When you book your Season tickets we never lock you into the same day of the week or time. If you want to see the first show on a Friday night and then your second show on a Saturday matinee – we will do that for you! If, (after booking your tickets), you find you need to change dates – no problem! We never charge for changing your seats to another day.
