

Christmas Holiday 2020

Yard of the Month

Holiday Yard of the Month recipient is the Wawrzynczak Family, (Tim and Jen), 2326 Eagleview Circle.

Wawrzynczak's front yard display includes a variety of "cute" seasonal items that "blow-up, "light-up" and look fantastic at night. The display features many decorations including Santa Claus, a robot, "Olaf" the Penguin, Sponge Bob and a second Santa in the background. To the left you'll see Frosty the Snowman, surrounded by four lighted seasonal figures. Two small lighted Christmas Trees complete the display. Due to contrast issues it's hard to see from the photo that a Star Shower flood light illuminates the front of Wawrzynczak's home.

Jen, you're a real trooper for coming out into the cold night for photos with your two children. It's obvious, based on the children's excitement that Wawrzynczak's enjoy the holidays.

Congratulations to Tim and Jen for their great display. In recognition Tim and Jen get a sign to post the FAC-HOA sign in their yard for the month and receive a \$25.00 gift card for The Flower Bin.
