

RCAS: LOST OR FOUND PET INFORMATION

A Volunteer donates time to prepare these flyers for you to post and give to mail carriers, UPS, etc.

We need detailed accurate information, to make a good ad that will hopefully bring your pet home!

Unless there is an error on our part, this flyer will not be changed nor edited. (one time service)

We keep your ad on our RCAS Facebook page for at least 2 years. You tell us when the pet is home!

Our www.RandolphShelter.org website also has a link to our Facebook album.
