# RULES AND REGULATIONS

1. The exhibitor agrees to make no claim against Equipment Connection, show manager, or any owner of the property for any loss, damage, theft of property, injury to exhibitor or his employees, or for claims for damages, injuries, etc., which may be incident to, arise from, or be in any way connected with the use and occupancy of the display space and the exhibitor shall indemnify and hold the management harmless against any such claims. Each exhibitor is responsible for his own equipment and must keep an attendant in his booth during the hours of the exposition. In all cases, exhibitors desiring to insure their exhibits and display materials against fire, theft, etc., must do so at their own expense. It is suggested that the exhibitors contact their insurance broker, who for a nominal cost will secure an exhibit rider policy, which will provide all risk insurance covering their exhibit property while it is absent from its home premises.
2. Exhibitor is liable for payment of all taxes to all pertaining tax authorities for merchandise and/or services that said exhibitor sells at the show.
3. Show Management shall not be liable for the fulfillment of this contract if non-fulfillment is due to causes related to war, operation of law, work stoppages, acts of God or other causes beyond the control of the show Management.

7. Exhibitor understands and agrees that no specific attendance levels are guaranteed by show Management.

9. No exhibit shall extend beyond its rented space. Displays shall be limited to four feet in height in the front half of the booth space. No exhibitor should be out side their booth soliciting customers in the walkways.

Any damage done to the premises by the exhibitor, its employees, or agents shall be made good by the exhibitor.
