SPOTTING WAIVER July 2020-June 2021

I understand that spotting is sometimes necessary for safety and to help lessen the chance of injury. My child will only be spotted as needed by their instructor. I understand that the instructor will be wearing a mask and sanitized gloves, but that the chance of exposure to COVID-19 is still possible.

I am allowing my child to be spotted, knowing the risks. I understand that it is impossible to keep them, myself, or any other individual completely safe from COVID-19 exposure.
