**1774902** We were very pleased with Eddy and his band of happy performers. We contracted with him as a juggling stilt walker, as well as an interactive circus girl who did plate spinning (among other tricks) and a magician w/assistant. All of our guests had a great time posing for photos and interacting with the performers. A highlight was watching as the guests tried their hand at plate spinning - not as easy as it looks! I would definitely recommend Eddy and A #1 Best Events & Entertainment for your next circus-themed party. -Sharon N, Los Angeles, CA

**1053854** My event went off without a hitch! Eddy was such a great help. His commitment to detail is astounding. We discussed what I needed, Eddy kept asking questions to make sure he knew what I was looking for. He asked me questions I hadn't even thought to ask in my search! I was trying to locate a plate spinner with very specific characteristics, and Eddy was able to find us the perfect match. The plate spinner was fantastic! Very professional, and performed one of the best plate spinning shows I have ever seen!!! Thanks Eddy!!!!!!! -Kathryn A, Los Angeles, CA

**1068904** Party, party in the rain. Eddy was awesome! He entertained a crowd for a 21st Birthday. He was on time, and dressed true to the themed of the party. It started to rain, and Eddy continued to keep the crowd happy and energized. His performance with his glow in the dark juggling tumblers and balls were incredible. The entire crowd was happy and energized the entire time he was there. The confetti cannons we added were spectacular. Eddy I command you on a grand performance and will keep you in mind for our future events. -Elvira N, Los Angeles, CA

**698766** Eddy and Veronica came in early to set up before the party starts. Thanks to them they kept all my guests entertained while i was busy with the baby because my baby got sick on his birthday. I did not have much time spend with my guest because i have to be with my baby but my guest called me the day after the party and said that the kids had a very good time with the games and especially the puppet show. They just couldn't stop talking about the puppet.....Thanks Eddy and Veronica!!!U gave life to my son's first birthday party!!!! -Catherine S, Mission Hills, CA

**513621** Flappy & Buttons worked great with all ages of children. They started the program off with Simon Says to wait for last minute attendees to take their seats. Then all the fun begins. Stinky the skunk was the biggest hit. Also very impressed with the juggling of a tennis rack, a medium size ball, and apple. While juggling Flappy took bites out of the apple, wow! Will use them again in the near future. -Lezlee H, Lompoc, CA
