COMPANY OVERVIEW

Marcus Mitchell, Chief Executive Officer, founded the M. Mitchell Group, LLC in 2004. The company has over 20 years of experience in the construction industry. Mr. Mitchell's strategic acquisition of a former company was necessary to meet the increasing demands for construction, contracting, project and construction management, development and environmental corrective actions for public, private, commercial and industrial projects. TMMG strives to exceed our client's expectations by analyzing and understanding their needs and providing practical solutions in a cost-effective manner.
