Part 5: Let's have fun!

We have booked Alvik ring for Go-karts!*** If the weather is good (which we hope) we will compete in 4 teams for about an hour. In case of rain we have a backup plan.

Part 6: Dinner

To maximize the social interaction between the members we decided to have BBQ! Therefore, we will bike from Alvik ring to Flintvägen in Carlshem where we have access to an open area for grilling as well as a big room to sit and chat.****

19:30 – 20:00 **Going to BBQ place**

20:00 **Dinner**

To the speakers:

First of all, we are happy and excited to hear about your research. You will have 30 minutes each including the time for questions. It is highly recommended that you structure your presentation within 20 minutes. Then there will be enough time for questions.

Additional information:

* Old library is located on the second floor in front of Uracil.

** We will have one car for transportation as an alternative to biking. If you don't have access to a bike or for some reason cannot bike let us know ASAP!

*** For Go-karts remember not to wear your nicest clothes. Please use shoes that has no risk of slipping off (not crocs etc).

*** Please bring what you want to drink for dinner and if you have special food preferences let us know latest 8th of June.
