

Reach for the Stars

THE SHOW WILL GO ON!

SPRING DANCE RECITAL
AUGUST 8TH, 2020

Costumes, make up & hair OH MY! On **August 8th**, your Child's class will have a time to perform. Each performance will be outside and we will only allow one parent per child during this time frame to stay.

We will have a **professional photographer video** each class in their costumes, hair done and make up on. Each class will follow our **strict social distancing** guidelines even during their performance to ensure the health of each child.

Once our professional videographer has every performance, we will put it into **one big REACH FOR THE STARS show** and a **link** will be sent to each one of you to enjoy from the comfort of your home. You can send your link to all your friends and family and it will be just as though you are right there.

WE WILL EMAIL YOU ON APRIL 29TH WITH COSTUME PICK UP INFORMATION.
