

***Our creations really DO grow on trees!***

 Custom Creations

“Love the trees until their leaves fall off, then encourage them to try again next year.” – Chad Sugg

We love our trees and are ever thankful for their bounty!

New item for our “pet parents” — **pallet dog bed!** Pictured right, is an Adirondack-style in an extra large. Other designs are available; beds available in all sizes and, most are ready in @1-week!

For our foodies and gift-givers, we have many unusual pieces of wood turned into **candles** and **cutting boards**— featuring wood combinations like black maple & cherry!
