Our Proven Methodology and Techniques

- Learn how to stage a vacant home with hands-on practice
- Address a home's flaws and know what buyers will love about a home with our furnished home staging consultation workshop
- Participate in a re-design to learn how to work with clients in designing their home
- Lectures on helping your clients organize their home environment
- Learn how to do a color consultation
- This three-day workshop will help you obtain crucial information to become a home stager

Upon graduation, you will receive a certificate showing that you are a certified staging expert and a graduate of S.O.A.R. (Staging, Organization And Re-design). With our staging training course you will have the qualifications you need to get started as a home stager.
