

Covid-19 Announcement

March, 2021

As of June 5th, 2020, The Red Sleigh Inn was given approval to open after a mandatory lock down issued by the State of New Hampshire. The State of New Hampshire is allowing us to accept reservations from New England residents, or non-New England visitors who have met the 10-day quarantine requirement. The 10-day quarantine includes that when outside of the home, maintaining social distancing and wearing face masks when within less than 6 feet of another person during this 10-day quarantine.

NOTE: You do NOT need to quarantine for 10 days or get tested for COVID-19 if either of the following apply:

1. You are fully vaccinated against COVID-19 and more than 14 days have passed since you received the second dose of your COVID-19 vaccine.
2. You have previously tested positive for active COVID-19 infection (by PCR or antigen testing) in the last 90 days (if you had a previous infection that was more than 90 days ago, you must still follow all quarantine requirements)

The Red Sleigh Inn will follow all guidelines from the NH governor regarding residency and quarantine requirements from potential guests. In addition, we will not accept reservations from guests who have had recent contact with someone with COVID-19, or anyone who has shown COVID-19 symptoms (including fever, cough, shortness of breath or difficulty breathing, sore throat, new loss of taste or smell) in the two weeks prior to their arrival.

By making a reservation with the Red Sleigh Inn you and all parties are attesting that all the person(s) staying at The Red Sleigh Inn remained at a home for at least 10 days before arriving in New Hampshire, only going out for essential items and when outside of the home maintaining social distancing and wearing face masks when within less than 6 feet of another person during this 10-day quarantine (unless you fall within the noted exception described above).

In addition to our existing high standards of cleanliness will be enhancing our methods of cleaning and sanitation as per the recommendations put forth by the state and CDC. We also are following all appropriate guidelines put forth by the state of New Hampshire for employee and guest safety such as social distancing, wearing masks, and altering our food service norms.

Please note, if you have any of the following symptoms or answer 'yes', please help protect us and other guests by staying home. Your deposit on your room will be refunded.

1. Have you been in close contact with a confirmed case of COVID-19?
2. Are you experiencing a cough, shortness of breath or sore throat?
3. Have you had a fever in the last 48 hours?
4. Have you had changes in your sense of taste or smell?

We sincerely thank you for your support, cooperation and continued business. We are sincerely grateful to be able to stay open and offer our bed & breakfast services to our valued guests.

Carly & CJ,
Red Sleigh Inn Owners
