AMERICAN ACCENT TRAINING BUSINESS PLAN

Start A Profitable Business With Less Than \$1,000 And No Experience

If you enjoy helping people and love being a mentor, then this is the perfect business for you! IDEAL for retired persons, veterans, nurses, athletic coaches, musicians, and business sales leaders. There is a huge demand for our mentors and coaches to present American dialect english. People from all around the world WANT TO LEARN HOW TO SPEAK LIKE AN AMERICAN. There are thousands of potential customers near your neighborhood who want to communicate better. Large employers are looking for better-qualified employees and we are the experts at training people for those positions. Our several years of trial and error, research and continuous improvement of our techniques have given us the advantage over private tutors and the ESL industry. Most english language schools are very expensive and require long terms of study. We know from hundreds of interviews and our own personal experience that many of these students are NOT satisfied with their ESL or private tutoring experience. Many return to their homes without the skills they paid dearly for. This is where we are different. We solve these problems every day. In Fact, we are so successful that we have a waiting list of clients every time we open a new location. We provide what other programs only wish they could do. We are low cost, efficient and fast. *PLUS WE GUARANTEE OUR STUDENTS ARE SUCCESSFUL AND SATISFIED WITH THEIR TRAINING.*
