## KIWANIS MEETING OF September 25<sup>th</sup>, 2017

President Pat presided over the meeting---after two years he does the job perfectly.

Nine members, no guests, one speaker----small group.

Egg salad sandwiches with generous amounts of egg, tossed salad and chips. Good.

Songs: “Show Your K”---“America The Beautiful”----and of course “The Packer Fight Song” (no overtime needed, we sang fast).

President Pat had two happy dollars: (1) To celebrate our club’s 100th anniversary, and (2) to tell a story about how he avoided a parking ticket by using an app on his cell phone just as the parking lady was going to give him a ticket.

Our 100th anniversary was mentioned in a brief newspaper item, thanks to the efforts of Anne----but how could they not publish all the information she submitted?

Our speaker was Michael Schwartz-Oscar, the Executive Director of Oral Health Partnership (OHP). OHP is a non-profit organization dedicated to improving the oral health of disadvantaged children and youth by providing free dental care for kids in and around Brown County. OHP does their mission in three fixed-site clinics, a traveling van for a school-based program and a hospital clinic team. OHP employs a full and part time staff of 11 dentists, 5 hygienists, and 13 dental assistants. Their success is measured in the confident smiles and the pain free teeth of their patients. During the past two years the annual average value of the dental service provided by OHP has been approximately \$6,000,000 measured by the cost of private dental care. We enjoyed an interesting program about a very worthwhile area dental project.

What's happening in coming Monday's?

- Monday October 2nd we will recap and review our 100th anniversary dinner.
- Monday October 9th is currently open for a program.
- Monday October 16th we will have lunch at Nicolet School with the third graders. Be at Nicolet School at 12:30.
- Monday October 23rd Tony Walters (yes, the Walters Awards man) will tell us about a Packer book that he has written.
