

WOONSOCKET POLICE COPSWALK

On October 11, a team of officers from the Woonsocket Police Department will engage in a 4-day, around-the-clock, relay run from Woonsocket to Washington DC. Our mission is to raise funds for the New England Chapter of "Concerns of Police Survivors," a not-for-profit organization dedicated to helping the families of police officers who are killed in the line of duty with counselling, legal fees, scholarships, and other support.

All of our sponsors are displayed on our website and in the ad books available at our fundraising events. This year will be a little different with a beer & dynamite/cornhole tournament and a golf tournament. For Blue Shield donors we will also place your company name on a banner that will be displayed on our support vehicle for the 400+ mile journey.
