Who are Shriners

Shriners Believe in Brotherhood

Shriners are a brotherhood of men committed to family, engaged in ongoing personal growth, and dedicated to providing care for children and families in need. Our backgrounds and interests are diverse, but we are bound together by our shared values and a desire to have fun, do good and build relationships that can last a lifetime.

Shriners Believe in Family

Although Shriners International is a brotherhood, it is also an organization focused on bringing families together. Many of our fraternity's activities are designed to involve family members, promote our shared values and help develop the next generation of community and business leaders. A variety of affiliated groups for both women and children, emphasizing personal growth, fun and friendship, participate with Shriners.

Shriners Believe in Fun

Shriners International is recognized around the world by an ancient symbol – the fez. The modern man who wears the iconic red fez is a man who values philanthropy, brotherhood, family and of course – fun.

Shriners Believe in Philanthropy

Shriners Hospitals for Children was founded in 1922 with the goal of providing expert medical care for children with no financial burden to the patients or their families.

Today that philanthropic effort supports the health care system's 22 facilities across the U.S., Canada and Mexico, treating children up to 18 years of age who have orthopaedic conditions, burns, spinal cord injuries, cleft lip and palate, and more. Our advanced care is provided in a family-centered environment that is focused on maximizing a child's quality of life, regardless of the families' ability to pay.

The Villages Shrine Club

The Villages Shrine Club received their Charter on April 7, 2005. The Charter was signed by Illustrious Sir Gary J. Bergenske, Potentate of the Bahia Shrine Center and by Illustrious Sir Thomas E. Embree, PP, Recorder of the Bahia Shrine Center.

We have NO PAID staff so all proceeds from everything that we do go directly to the Shriners Healthcare for Children—Florida.

The Al Kora Shrine Ladies

Let's not forget the Ladies. The Al Kora Shrine Ladies also raise a lot of money for the Shriners Hospitals for Children. The Shrine Club Nobles are certainly aware that they are a tremendous help in every one of our Shrine Club functions. THANK YOU LADIES!

Here are some of the things that they do:

- Help the Shrine Club Nobles in all their activities
- Have a yearly Garage Sale
- Sponsor a play at the Melon Patch Theater in Leesburg
- Work (Belk Charity Day)
- Work (Chili's Give Back Day)

All the money that they bring in goes to help the Kids at the Hospitals. They are mentioned all over the country by Shriners International as the model for how a Shrine Ladies Club should work.

The Al Kora Shrine Ladies Monthly Meeting takes place on the Fourth Tuesday of the Month at the Cottage Inn Restaurant on Route 27/441, just a little South of Route 466. The meeting starts at 10:30 with lunch to follow. All Masonic Ladies are cordially invited and encouraged to attend.
