Master Class: Craig Slaughter

## **A Little More About Me...**

I have a growing repertoire of character voices, with strong skills in the Brooklyn, Irish, and Southern Rural dialects. I am also very comfortable with slapstick comedy. When I have to sing, (which, thank God, isn't often), I'm a soprano. I also have growing pages on both [imdb](http://imdb.com) and [Vimeo](http://vimeo.com)!
