## **Bay Community Support Services awarded Best Non-Profit Organization in Annapolis by Annapolis Award Program**

*Local non-profit serving individuals with intellectual and developmental disabilities received award for Best of Annapolis 2021 in the Non-Profit category*

**August 4, 2021** – Bay Community Support Services has been selected for the 2021 Best of Annapolis Award in the Non-Profit Organization category by the Annapolis Award Program. Each year, the Annapolis Award Program identifies companies that have achieved exceptional success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Annapolis area a great place to live, work and play.

The COVID-19 pandemic has created difficult and trying times for businesses and non-profits alike. In order to protect the vulnerable individuals served, Bay-CSS created stringent safety guidelines and have remained COVID-free in all Anne Arundel residential homes, Supported Employment, and Day Activity Centers. Bay-CSS is thankful to have welcomed Day Activity Center clients back to the centers in April, after being required to close for over a year.
