*Providing opportunity and hope for at-risk youth.*

On any given day in South Florida, there are 4,000 teens in foster care. Without family and a proper support system, most will experience a negative outcome upon their emancipation. BIG Children's Foundation is on a mission to change these outcomes. We aim to restore their health, improve their quality of life, and set them on a path that leads to success. We reshape their future! To learn more, please visit [ReshapeTheirFuture.org](http://ReshapeTheirFuture.org)
