

Desert View

Serving the Southwest we offer:

- Complete 24/7 full-care Christian Science nursing services at Desert View
- Visiting nurse service in your home for immediate needs
- Out-patient care at Desert View
- Telephone Consultation
- Individual instruction for those who are caring for loved ones at home
- Workshops for the local Christian Science community. These could be given to church Care committees, those caring for loved ones at home, or general informal workshops introducing Christian Science nursing, and practical wisdom and proper care for each other. Call us if you would like to arrange for a workshop.
