

## Save the Date!

### **Giving Tuesday, a global event, is December 3, Tuesday!**

Our team travels to La Gomera right after Thanksgiving, and will be there by December 3. This, coincidentally, is Giving Tuesday, the biggest international giving day of the year. There are almost 150 countries participating, and since the Talisker Whisky Atlantic Challenge is also a global event, we thought we'd use this platform to launch a new campaign. The details are not yet revealed, but it's called "Row With Us"!

Look for the details on Tuesday, December 3.

PS: If you are on Facebook, and you'd like to see the team go "Live", tune in at 2pm MST.

PSS: Remember that your charitable tax year is coming to a close! Fight Oar Die is a 501c3.
