¹This plan has an embedded deductible and out-of-pocket maximum. Each family member will begin paying copays or coinsurance after meeting his or her individual deductible or out-of-pocket maximum (depending on the benefit), or when the family deductible or out-of-pocket maximum is satisfied. Individual family members aren't subject to cost sharing when they reach their individual out-of-pocket maximum, or when the family out-of-pocket maximum is met.

²Out-of-pocket maximum is the maximum amount an individual or family will pay for certain services in a year.

³Preventive lab tests, X-rays, and immunizations are covered as part of the preventive exam.

⁴Scheduled prenatal visits and the first postpartum visit.

⁵Well-child visits through age 23 months.

'Infertility benefits can be added to this plan for an additional cost. For more information, contact your broker or Kaiser Permanente representative.

⁷Prescription drugs are covered in accordance with our formulary when prescribed by a Plan physician and obtained at Plan pharmacies. A few drugs have different copays. For information on our formulary, including the drugs on the specialty tier, go to **kp.org/formulary** or call our Member Service Contact Center.

 $^8\mbox{After the 5 days, additional days for the same admission are covered at no charge.}$

¹¹Kaiser Permanente members are entitled to a discount on eyeglasses and contact lenses purchased at Kaiser Permanente optical centers. These discounts can't be combined with any other Health Plan vision benefit.
