Except in case of emergency, permit applications must be submitted not less than three (3) business days in advance for review and processing. The Zoning Administrator reserves the right to issue or deny any permit within 30 days of application, in accordance with City Zoning Regulations. No work shall commence until a signed permit has been received by the applicant. Permit must be present at the jobsite and available for viewing by City staff.

A City official shall make all inspections unless other provisions for inspection are made, in advance, and approved by the Zoning Administrator.

IT IS THE RESPONSIBILITY OF THE PERMIT HOLDER to contact the office of the Zoning Administrator at least two (2) hours in advance for all required inspections. Permit holder or representative must be on-site for all required inspections. Except in case of emergency, inspections must be conducted during normal business hours.

All contractors shall have on file with the Office of the Zoning Administrator a current Certificate of Registration issued by the Office of the Kansas Attorney General in accordance with KSA 50-6,135 and KAR 16-8-1 et seq. Additionally, proof of general liability insurance of at least \$300,000 shall be on file. These shall be in place before any application will be considered.
