

BC Report

by Bev Greenwell
CSBA Representative for the BC Purebred Sheep Breeders
Association

BC welcomes the All Canada Classic Sheep Show and Sale to our province in 2022. We plan to hold it in Barriere, 1 hr drive north of Kamloops, in the interior of BC. It will be held after the long weekend in July, the dates not confirmed as yet.

BC Purebred Sheep Breeders Association continues to have difficulty maintaining membership numbers, with only 30 paid members at present, even though 644 purebred sheep were registered last year and 411 were transferred. 166 BC Sheep producers are CSBA members, and 7 are Junior.

BCPSBA maintains a FB page as well as a website, and publishes a breeders Brochure.

We support, financially, 4H awards at fairs throughout the province as well as a Wool 'N Ewe A'Fair.

The BCPSBA is hoping to attract new members by paying 2 yrs Genovis fees to breeders going onto the Genovis program.
