## CLASS SCHEDULE : SEPTEMBER 2025

*Recommended ages: 12 – Adults*

### WATERCOLOR PROGRAM:

All of the Watercolor classes are multiple sessions; 2 – 4 weeks dependent upon the level. They are instructor led, step-by-step instruction. Although we are referencing the same picture, every painting will become unique to the person creating it through style, color use, and ability.

#### Watercolor: Basics

Starting you off with the groundwork to working with watercolor. You will learn basic terminology and base techniques. Many special techniques will be taught. Plus, you will learn about the various materials.

Single Class Fee: \$15 total

Monday, Sept 8: ☐ 11 am – 12:30 pm

OR ☐ 5 – 6:30 pm

#### Guided Watercolor: Beginner

*For the true beginner; minimum of 3 months recommended at this level.*

Although this appears to be a simplistic painting, these flowers are perfect for new painters. The techniques to create this painting will provide some great practice. Subtle vs rich color, waterflow and process will be practiced.

White flowers (anything!) are a challenge to paint. This painting will give you an opportunity to build your abilities with color contrast.

Several special effects will be in practice to get the different textures. You'll learn a little about color theory to make this painting have different looks; you can pick any color palette you'd like!

Session Fee: \$50 total

OR Saturdays, Sept 6 - 20: 10:30 am – 12:00 pm

### Guided Watercolor: Experienced

We are going to welcome the regular sessions back with two beautiful paintings that really showcase the beauty of watercolor.

Both paintings will be very

fun for the experienced watercolor students. Although they look complex, they are all about special effects. I'll break them down for you to successfully create.

Plan to pick your own palette of colors; anything goes. Featured here are the originals, while my personal version is coral, bright blue, golden and emerald green!

Session Fee: \$60 total

Tuesdays, Sept 9 – 30
