Transportation Letter Qq & Rr Number 4	22 Vehicle Color Sorting & Pattern Making	23 Hot Air Balloon Activity	24 Trans- portation Shape Collage	25 Name Rocketship	26 Handprint Stoplight	

Dear Families,

February is Dental Health Month. We will be talking about taking care of our teeth and the importance of brushing and letting a grown up help. We will also be talking about Animals that live in cold places, Valentine's Day, Community Helpers, and Transportation. The Green Owls will have a Valentine's Day Party. I will send out a separate email with that information.

Our letters this month are N-R and the numbers 2-4. As we continue to work on name recognition, we will also be working on tracing and writing of their names.

Individual evaluations will go home the first week in February. These are based on observations in the classroom. Let me know if you have any questions about them. We will also be having a 2nd semester Open House for our families. This will be an opportunity for our families to meet one on one with our teachers to see how your child is doing and all the fun they are having in our classroom. This will be by appointment only so look for the sign up in your email.

Now that winter has arrived, the majority of our gross motor time will be spent in the gym. We will occasionally go for a walk around the block to get fresh air. Please make sure your child comes to school each day with the proper attire for these outings. (Coat, hat, gloves, and boots) I also like to try and get the kids outside a few times during the winter to play in the snow. I will send out an email the day before and ask for you to please send snow pants, boots, gloves, and hats.

SNACK

Please bring your child's FEBRUARY snack the first day they attend in February. The snack must be **PEANUT FREE** and have two components. Here are a few ideas, let me know if you have any questions.

- Ex) Sausage and Cheese
Yogurt and Crackers
Fruit Cup and Teddy Grahams
Fresh Fruit or Vegetables and Animal Crackers
Raisins and Goldfish

A few reminders:

1. Please dress your children accordingly for the weather. We are very close to the lake and temperatures can be cooler. Consider leaving a sweatshirt in your child's backpack as a back up.
2. Please dress your child in play clothes. We do use washable paint and smocks, but accidents do happen.

If at any time you have any questions or concerns, please feel free to contact me.

Ms. Rachael
