Title:

From ACEs to the Obama Presidential Library: Disrupting Predictive Outcomes Through Psychological Strengths

Speaker:

Darrell Padgett – Keynote Speaker & Workforce Transformation Expert

(Featured in the Obama Presidential Library Oral History Project)

Overview:

Born into adversity and shaped by experiences often associated with negative predictive outcomes, Darrell Padgett disrupted the trajectory. Today, his story is permanently archived in the Obama Presidential Library. In this powerful keynote, Darrell translates lived experience and Psychological Strengths research into practical strategies that help organizations reduce turnover, prevent burnout, strengthen resilience, and build high-performing teams.

Audience Outcomes:

- Practical framework to reduce employee turnover
