Annual Meeting Reports

On February 16th, Pastor Jake will facilitate a brief Annual Meeting at both churches to discuss issues and progress made in 2019. Each of the following group leaders are asked to submit a paragraph by February 9th sharing what your group does and any special accomplishments that need to be recognized. There have been requests for a church directory as well, so we are getting everyone's information updated in the database and will be including the directory with the Church Annual Report for the meeting on February 16th.

Please have all submissions for this report turned in to the office TODAY
