Important Consumer Information

This report was not produced by a licensed pesticide applicator. This report documents the inspector's observations at the time of the inspection. This report is not a guarantee or warranty as to the absence of wood-destroying organisms, nor is it a guarantee that the inspector found all the wood-destroying organisms or damage that may exist. Wood-destroying organisms may exist in concealed or inaccessible areas. This report is not a structural-integrity report, and there is no warranty, expressed or implied, included with this report. This report provides no assurances with regard to work performed by other companies and/or service agreements/warranties offered by other companies. Owners should try to correct conditions that promote wood-destroying organisms, including: wood in contact with soil; poor grading and/or drainage; firewood and/or debris stored near or inside the structure; insufficient ventilation; and/or moisture, condensation, plumbing leaks, foundation leaks, roof leaks and/or standing water.

Limitations of Liability

The liability of the inspection company, its agents or employees, for claims, damages or expenses arising out of the inspection, including errors and omissions in the report, shall be limited to liquidated damages in an amount equal to the fee paid to the inspection company.

I have read and understand the Important Consumer Information above and agree to the Limitation of Liability.
