

## Empty Fears, A Song for Encouragement (repost)

June 19, 2018

Lord, I have no courage, I'm growing weak. My heart is faint.  
Secret fears invade my soul, they say it's just too late.  
Your life is over, it's passed you by,  
Summer's leaves fall beneath the autumn sky.

I've lost my joy, I've lost my hope, I've turned my heart away from You.  
Restore my joy. Restore my hope. Turn my heart around to You, O God.

My child, put those empty fears far behind you now.  
Come, and rest your tender cheek beneath My watchful ( )  
We'll rise again in springtime bloom,  
Life comes forth anew, from empty tombs,  
For I know. Yes, I know all the good I've planned for you.

Gifts of faith, gifts of hope, love and joy restored to you My child.  
So, trust the plans I have. In Me, our future shines.  
I'll guide you through the fires, we'll stand the tests of time.  
I am yours and you are Mine till we pass, at last, through Heaven's door.

For I know. Yes, I know, all the good I've planned for you.  
Gifts of faith, gifts of hope, love and joy restored to you, My child.

Eternity My child...

(Ezekiel composed and plays the hot licks break at the end)
