Our world has been forever changed by the COVID-19 virus. We are offering a commemorative challenge coin to support and say thank you to our Nurses, Doctors, Firefighters, EMS, Police, First Responders and Essential Workers that are fighting valiantly against an invisible enemy.

Sponsored by the NYSASO, a non-profit New York State Corporation. You can help us by being a supporter of our cause. Your support directly assists the men and women who are and have protected us.

When you donate or purchase a challenge coin here, you are making the world safer. We are going to work our way out of this crisis, and we are going to win!

Please join us in this fight against the COVID-19 virus. Your donation has the power to save lives and your support will boost morale of those working so hard. Your donation allows us to continue to provide necessary training, tests devices, PPE, temperature monitoring device, equipment and supplies free to all First Responders as we hope to raise \$25,000.

Order form on reverse side, Stay Safe!
