DESCRIPTION

Do you desire lasting and abiding friendships? Do you want to move beyond the past hurts of relationships gone wrong?

Reclaiming Friendship was written for any woman who wants a true and deep connection that lasts.

Explore what it takes to stay close for the long haul, what to look for in a friend, and how to navigate toxic relationships. There is a way to protect your heart without closing yourself off from future intimacy. The key is found in discovering God's plan for friendship, which was meant to be a foretaste of Heaven.

In a world plagued by loneliness, you are invited to encounter God personally through Scripture. Let God reshape how you see and experience intentional relationships, deal with your past friendship wounds, and become a woman who is capable of the lifelong bond of true friendship.

***Reclaiming Friendship* is ideal if you...**

- ✿ Are lonely and desire lasting friendships
- ✿ Need to know and understand what it means that God created each of us in His image
- ✿ Crave an authentic community, the kind in which we experience His joy and goodness

DESCRIPTION

Fearless and Free, a Bible study based on the book of Ephesians, is ideal for those who long for wholeness of heart and are in need of freedom from past wounds. So many of us are wrestling through the reality that life isn't easy, even when we are doing the right thing. Suffering can slam into us from left field, leaving us reeling. This study is perfect to use during Lent.

This study provides a firm foundation to stand on no matter what life throws our way. With an emphasis on healing and wholeness, *Fearless and Free* is the most personal and transformative study that Walking with Purpose offers.

This is what we'll discover through the pages of this study:

- ✿ We need to WAKEN to the reality of who we are in Christ, and that we have an enemy who seeks to steal our true identity
 - ✿ We need to WRESTLE with the battle in our minds—bringing our thoughts in captivity to Christ
 - ✿ We need to be strengthened as WARRIORS so that we can move forward in life—not just surviving, but flourishing
