Part I: Symbols and Vibrations Find out how Sacred Geometry impacts all aspects of your life. Explore how the spirit senses are integrated through the symphony, vibrations, and expressions of Sacred Geometry. Through the Patterns of Life, one will discover how our Chakras accentuate our Cosmic Consciousness and allow Spirit to work with us. This workshop is Hands-on and includes a meditation to discover your inner being.

Part II: Vibrational Consciousness and Harmonics. Discover the Harmonics of the Universe as expressed through Light and Sound. Understand how Spirit embodies these vibrations to attune and connect Light-Spirit-Body with Universal Consciousness and the Crystalline Grid.
