What are we doing this month?

I can hardly believe it is November. Times flies when you're having fun!

This month we will discuss
Small/Medium/Large

We will continue to improve our pre writing skills and using proper grip with both pencils and scissors.

Our fine and gross motor skills are strong! Most of us are writing our first names and some are even being introduced to the last name!

I am so impressed with our class and thank you for attending conferences with me so I could brag about how wonderful and smart your child is!
