Stallion information and photos available online. Bidding parties are responsible for obtaining information on the availability of shipped/frozen semen for stallions they bid on. Fees for shipped cooled/frozen semen, standard mare care and veterinarian services are extra. The farm location and stud fees are believed to be accurate although VGBRA will not assume any responsibility for errors. Reference stallion services will not be sold through the auction, but get will remain eligible for Stallion Incentive Program. Stallions may be added or deleted prior to the beginning of the auction in January, so check the website often for updates.
