'Book Blast' Earns Students at Scobey Schools New Books

Scobey Schools is about to embark on a school-wide book drive unlike any other! Starting on Monday, September 16, 2024, the school will launch its Books Are Fun Book Blast. This literacy initiative helps our students build their home libraries while also helping the school to get more books and school supplies. No matter what, this program ensures all the students at the school will take home at least one new, fun, age-appropriate book for their home libraries. However, with the help of the community, friends, and family, students can earn up to 10 books!

How does this all work? Students send out invitations to friends and family members to help them reach their goal of taking home all 10 books on their grade-level list. So, if you receive an invitation from a student you know, please click on the link in the invitation and help that child by contributing on their personal contribution page. 100% of the contributions they receive first go towards the books on their book list and then help other students needing books too. Any remaining contributions after every student earns all 10 books will go toward more books for the school and classroom supplies. Let's help Scobey Public Schools reach their goal of every student taking home all 10 books!

If you don't know a student at the school or receive an invitation to contribute, but you'd still like to help all students at Scobey Public Schools take home more books, you can contribute at: <https://tinyurl.com/ScobeyCommLink>

Welcome to the 2024-2025 school year at Scobey Schools! The entire school staff has been preparing and are excited and ready for a new school year.

We would like to welcome our new staff members, Mr. Lucas Knight, K-12 PE, Ms. Alissa Christensen, K-12 Art, and Ms. Haley Pfefferkorn, 7-12 Ag/Industrial Arts. Welcome to Scobey Schools!

Please review the Spartan Standards, that can be found on the school website, scobeyschools.com, with your child. If you have any questions about the Spartan Standards, please feel free to contact me or your child's teacher. It is very important that you and your child are fully informed regarding standards related to appropriate behavior for a safe and productive school year. If you are in need of a paper copy, please contact the office.

Helping our students be successful is a partnership between school and home and we ask that you guide and support your child's learning by ensuring that he/she:

- 1) Attends school daily, arrives on time and ready for the day's learning experience
- 2) Completes all homework assignments given by teachers
- 3) Reads daily to develop a love for reading and to improve literacy skills
- 4) Informs you if he/she needs additional support in any area or subject
- 5) Knows that you expect him/her to succeed in school
- 6) Discusses any behavior problems that may arise

Positive behaviors and interactions between students and staff are very important to make sure all of our students are receiving the best education possible. When behavior issues arise throughout the year, my hope is that the school and parents can work together to help resolve the issues that may happen at school. Please discuss appropriate behaviors with your child to set them up for a successful school year.

Attendance is a very important part of a student's education. We know that absences are necessary at times so if you are aware that your child will be absent, please inform the office and his or her teacher ahead of time so your child can get their classwork and won't fall behind. Make sure to review the Attendance section of the Spartan Standards for more information on excused absences and the attendance policy.

I hope that we can all show Spartan Pride throughout our school year. Please talk to your child about showing that pride at school, sporting events, and out in the community. I truly believe that if we work together to instill these values in our students now, they will grow up to be productive, responsible citizens.

The Scobey School staff and I are grateful to be a part of this school community. We thank you for your support throughout the year and look forward to a great school year. As always, if you have any questions or concerns throughout the school year, feel free to reach out to me or your child's teacher.

See you on August 20th!

Caitlin Buer
K-12 Principal

September 2024 Breakfast/Lunch Menu

Sep. 2 - 6
