

Arizona Wrangler Construction LLC

ARIZONA WRANGLER CONSTRUCTION, LLC is a full-service construction firm committed to constructing projects that consistently exceed expectations in cost, time and quality. Having consciously chosen to remain a project-committed contractor, we are selective about our clients, give each project the focus and attention it deserves and approach our relationships with clients and vendors alike in a true team spirit.

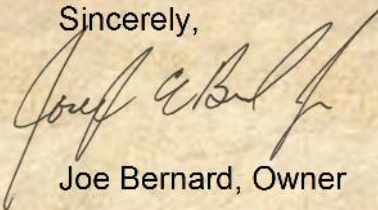

At Arizona Wrangler Construction, LLC, the bottom line of our business philosophy is to develop and maintain long-term relationships with our clients and subcontractors achieved through a team approach to projects, quality construction, superior service, competitive prices and integrity in all of our business dealings.

Our work history includes:

- Elementary, High School and College Classrooms
- Offices, Multi-Purpose Facilities, Church Sanctuaries
- Auditoriums and Gymnasiums
- Hospital, Medical Buildings, Clinics and Offices
- Senior Living Facilities, Senior Apartment Complexes
- Hotels, Fuel Centers
- City Library, Fire Stations, Training Facilities and Offices
- City and State Parks
- Historic Commercial Restoration
- United States Postal Facilities
- Correctional Facilities State / County
- T.I. (Tenant Improvements)
- Design/Build
- Construction Management/CM at Risk
- Residential / Custom Homes / Remodels

Arizona Wrangler Construction, LLC has the quality personnel for your project and will give you the personal and professional commitment and services you need and expect. No job is too small or too large.

Sincerely,

Joe Bernard, Owner
