CORE COMPETENCIES

King Cable Construction Corporation began as an aerial construction company in 2012.

The KCC team provides quality cable-construction services using best-of-class equipment and materials. In total, we bring decades of **hands-on aerial and underground construction experience** to the telecommunications industry. We strive to deliver a safe and clean job that exceeds our clients' expectations.

OUR COMPANY IS:

- SAFE
- PUNCTUAL
- PROFESSIONAL
